

To whom it may concern:

I wish to have Wisconsin's No Call List to remain as it is. I do not want to see it weakened in any way. My family's quality of life has been greatly improved by the no call list. Even if the telemarketers are allowed to start calling us again, I will just hang up on them. So allowing them to start calling us again will be futile for their business, and will just be an annoyance to families. We wish to be left alone! I don't care if it is a strong national bank lobby that is asking for our law to be weakened, I DON'T WANT TO BE CALLED BY THEM! I already have all the banking services, credit cards, etc. that I need from local institutions. If these organizations wish to contact me, they can do it by regular mail. Thank you!
